SUMMER HOLIDAY HOMEWORK

GRADE – 3 (2024-25)

Happy Summer Holidays!

Dear Parents

Vacations are the most appropriate time for kids to refresh and rejuvenate themselves, to be creative, to learn new skills and perform more enthusiastically.

Children have ample of energy which should be channelized in the right direction to get the best out of them. We have designed holiday homework keeping this in mind. It will help build their confidence and at the same time they will learn new concepts and skills. So keep your child's brain active in holidays without them knowing they're doing "homework".

Best Wishes

Homework Submission on : 19th June, 2024

General Instructions :

- All the homework to done on A4 size sheets.
- Submit all the sheets in one file/folder.
- Mention your name, class and section clearly on all the sheets.
- The holiday homework should be written by the children themselves, showcasing their own efforts and creativity.
- Neat and clean work in legible handwriting will be appreciated.

Dear Students,

Our Earth is a unique planet. It has always provided us with the best and fulfilled all our needs. Let us read the following passage carefully and know more about this amazing planet:

The Amazing Earth

Our Earth is a **big, beautiful planet**. It's like a giant home for **plants, animals, and people**. Just like how we live in our homes, Earth is a home for all of us!

During the day, the **sun shines bright**, giving us warmth and light. The sky turns blue, and fluffy clouds float by. Birds sing songs, and flowers bloom in many colours.

At night, the sky changes. The sun goes to sleep, and the **moon and stars** come out to play. Sometimes, we can see a big, round moon smiling at us!

But Earth is not just a home for us. It's also a home for many animals. In the forests, **lions roar, monkeys swing from trees, and colourful birds fly high**. In the oceans, **dolphins swim gracefully, and fish dance** in the water.

We need to take care of our amazing Earth. Just like how we clean our rooms and take care of our toys, we should also **clean up litter and help plants grow**. When we take care of our Earth, it stays healthy and happy for everyone to enjoy!

So, let's remember to love our Earth and all the wonderful life it holds. After all, it's the only home we have!

Let's do it !

1. Observation: Look out of your window during the day and make a word web to describe what you see happening in nature, just like the passage describes.

2. Critical Thinking: Why do you think it's important for **plants, animals, and people** to have a clean and healthy Earth to live on? **Write 2 reasons.**

3. Patterns: Draw the different shapes of the heavenly bodies that you found in the passage, like the shape of the **sun, moon, stars, and clouds** and **also write the name of the shape**. Make any pattern of your choice using all the shapes.

4. Write any two ways in which you can keep the Earth clean.

ALWAYS REMEMBER

पृथ्वी की रक्षा करें :

- हमारी प्रिय पृथ्वी की रक्षा करने के कई और भी तरीके हैं -

- जैसे कि पानी को बेवजह बहाने से रोकना ।
- इस्तेमाल न होने पर नल बंद रखना और पानी को बहने ना देना ।
- नहाते समय पानी की बर्बादी करने से बचाना ।
- कार बाइक आदि को धोने में पानी का कम से कम इस्तेमाल करना ।

- अंतर्वस्तु -

- जल संरक्षण करें
- पैदल चलें बाइक चलाएं या सार्वजनिक परिवहन लें ।
- Recycle Cum Composting का प्रयास करें ।
- एल.इ.डी पर स्विच करें ।
- एक पेड़ लगायें ।
- प्लास्टिक का उपयोग न करें ।
- पानी में कचरा ना डालें ।

5. दो चित्रों द्वारा दर्शाए-

एक गाँव का परिवार ----- जहाँ ज्यादा से ज्यादा पेड़ हैं हरियाली हैं पक्षी हैं जानवर हैं नदी है पहाड़ हैं ।

दूसरा शहर का परिवार ----- जहाँ बहुत आबादी है पेड़ नहीं है पक्षी नहीं है जानवर नहीं है और चारों तरफ घर ही घर हैं।

Dear Eco Soldiers

Here is your Earth-saving checklist! Your job is to complete each task on this list to help our planet. Use your green colour to mark each task as you finish it. Let's make the Earth a better place together!

Happy saving, Earth Heroes!

-  Sort trash into bins for recycling.
-  Use less water when brushing teeth.
-  Plant a tree with family or friends.
-  Pick up trash at the park.

-  Carry a reusable water bottle .
 -  Turn off lights when leaving a room.
 -  Help make a compost pile for food scraps.
 -  Use a lunchbox instead of plastic bags.
 -  Walk or bike with family to nearby places.
 -  Teach a friend how to save the Earth too.
-

Let's not forget to take care of the birds and animals around us to save our unique planet help them out in the summers by :

- **Placing a bird feeder and a water bath for the thirsty birds (made out of reusable items) in your garden or on your terrace, click a picture and share it with your Science teacher.**
 - **Plant a mango seed and nurture it until it becomes a sapling, bring the mango sapling to the school in June.**
-
