NATURE WALK...

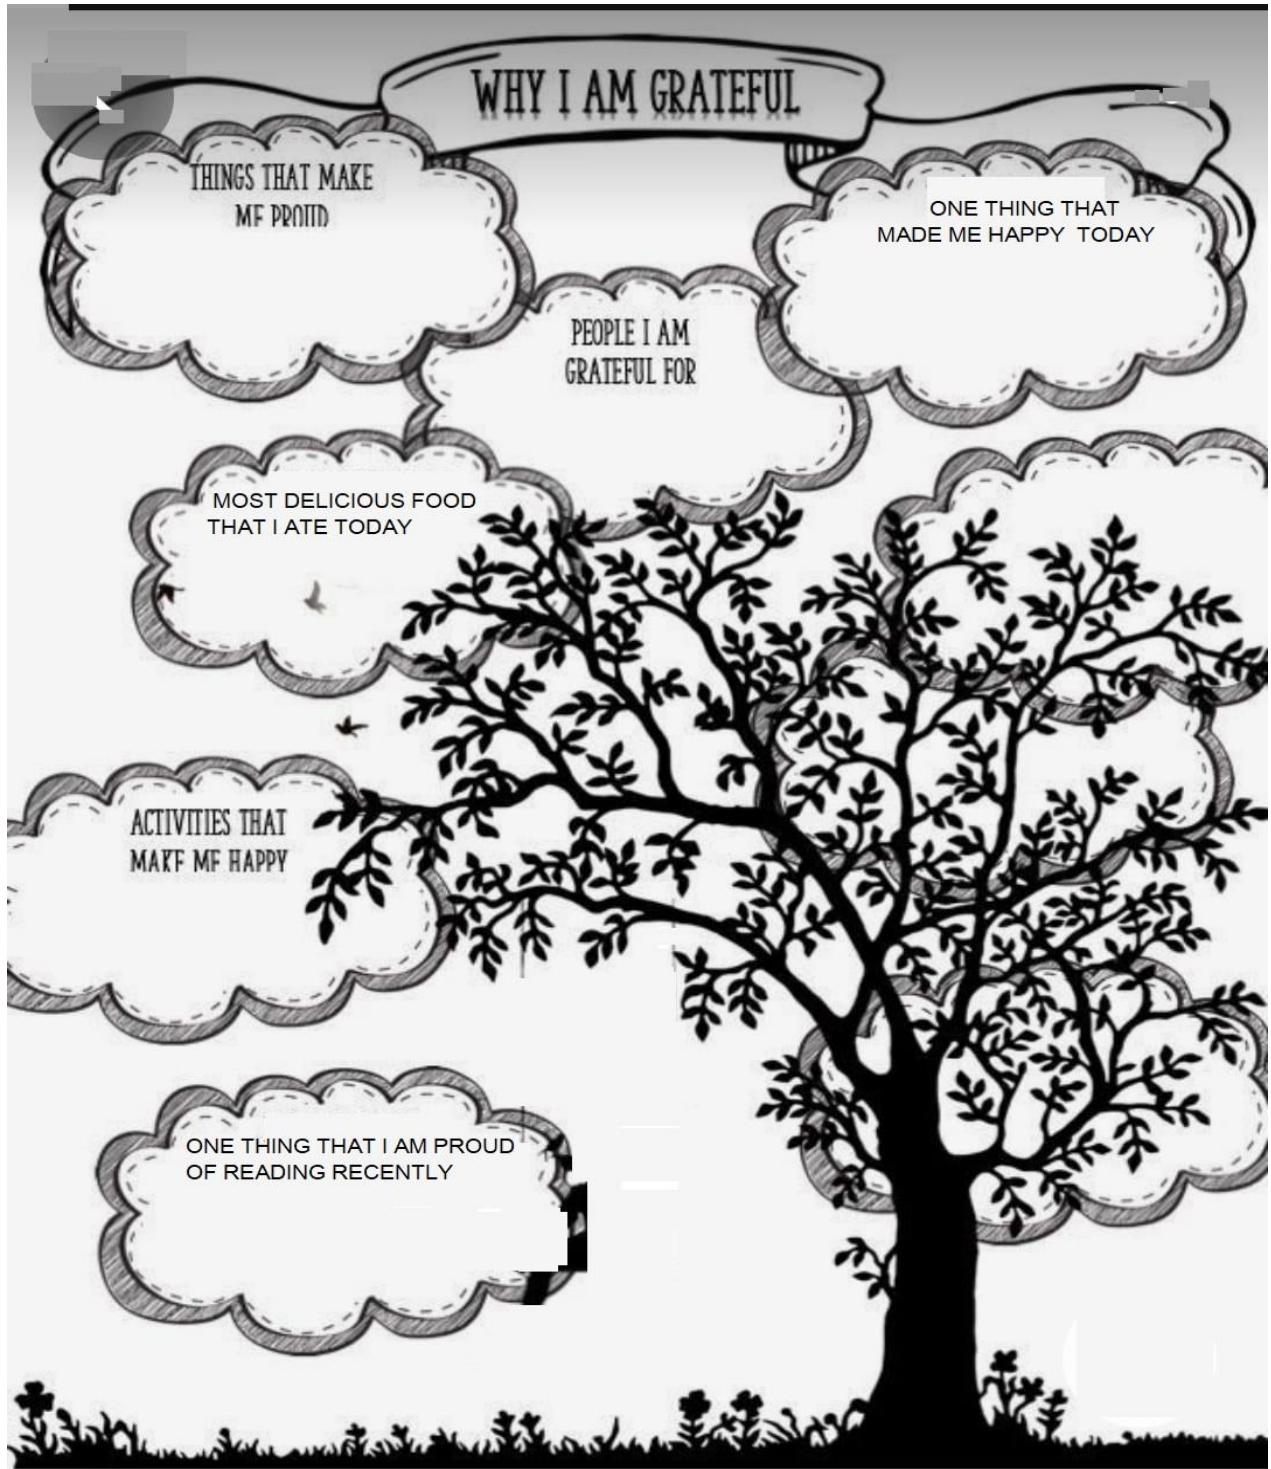

NATURE TREASURE BOX

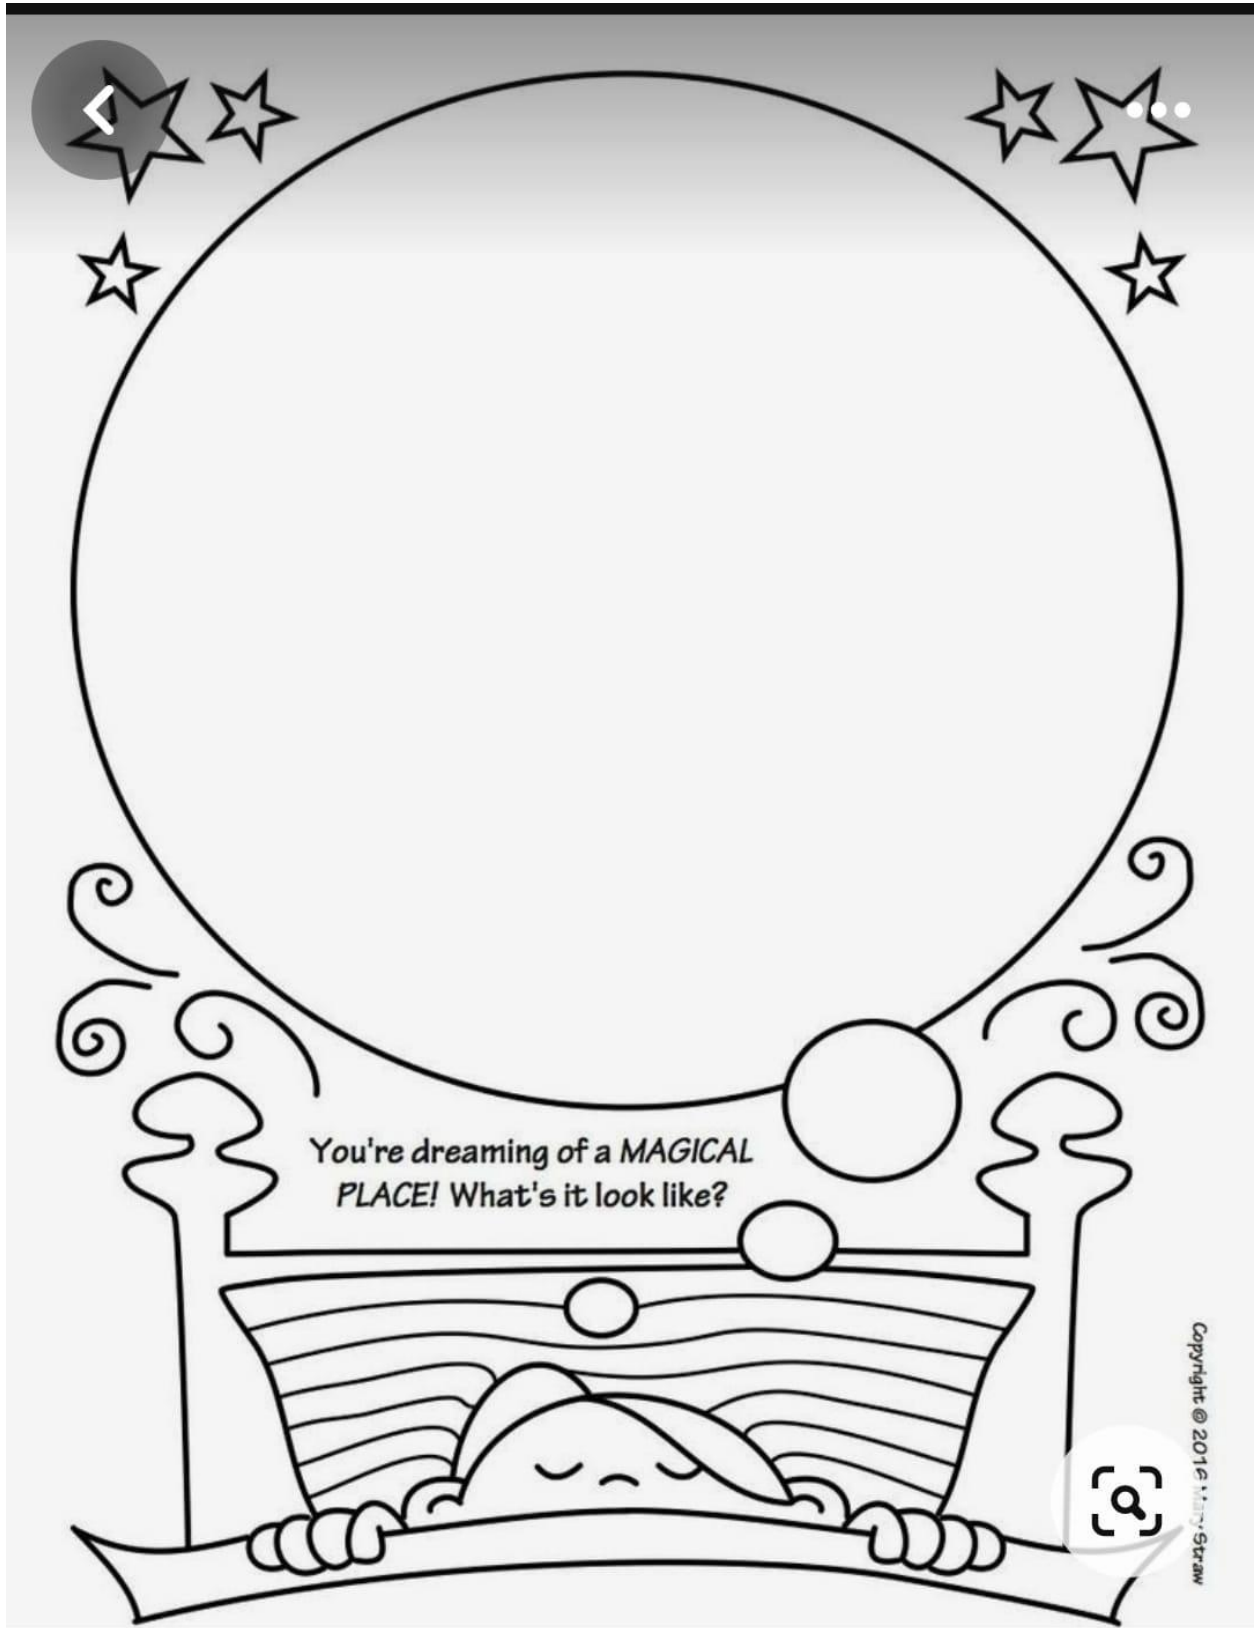

Take an empty shoe box and make divisions (6 or 8) using cardboard. Pick up anything you find interesting or unusual or unique in the park outside, when you go for a walk and keep it in the box. Try to label your collection.

Also, when school reopens, bring your box to share with your friends and show the amazing things that you have collected.

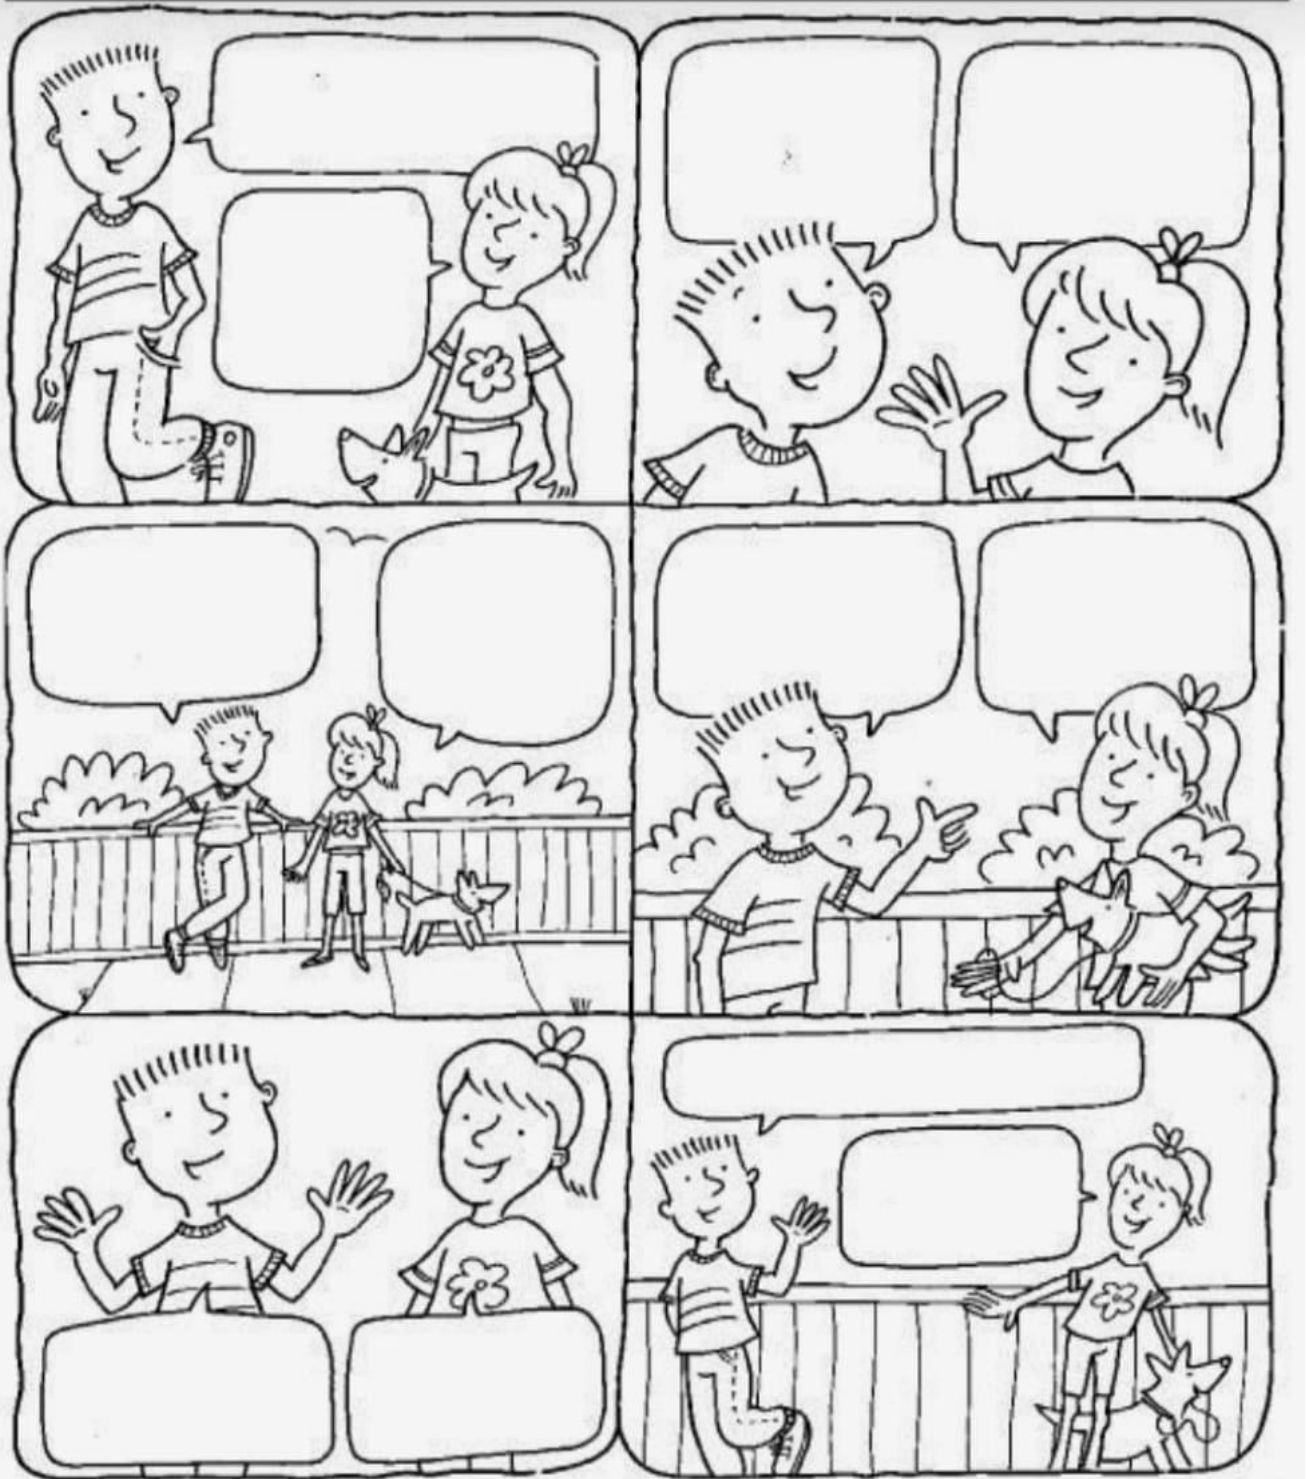

ALL ABOUT GRATITUDE

INTO THE MAGICAL DREAMLAND....

**It's vacation time. You and your friend plan to go to a park.
Write interesting dialogues between you and your friend.**

Read the passage given below and answer the questions that follow.

Date: ...

Sarah and Jake went out to ride their bikes. They rode all the way to the end of their block. When they got there, they saw a cat was lost. "Oh no," Jake said. "He's lost!" Sarah got off her bike and sat on the ground hoping the lost cat would come near her. He did! Sarah softly pet the lost cat until he started to purr. "Let's take him home," Sarah said. Jake walked both bikes home while Sarah held the cat. When they got home their mom called the animal shelter. Someone had just called and said they lost their cat. Sarah, Jake, and Mom drove to the shelter with the cat. The owner was there waiting. Jake and Sarah were so happy that the lost cat was able to go back home!

1. What is the problem in the story?

2. Who are the characters in the story?

3. How do the characters feel when they find the lost cat?

Be a Water Saviour

Water is perhaps the second most important substance on the Earth . Thus, it includes cooking, washing, cleaning, etc. Water is not a vital part of human beings' survival.

Currently, the biggest problem related to global warming is a huge water depreciation on the Earth. This is mainly caused due to misuse of water happening at various places.

In the current scenario, it is important to understand the formula for the conservation of water and thereby save water.

Do you know that as kids, you can play a big role in water  conservation campaign?

In order to create awareness for saving water you:

✨ Make 2 bookmarks on 'Save Water'  Theme(use your creativity)

✨ Some ideas for bookmarks  are given below.

✨ Feed the birds and keep water pot for them.

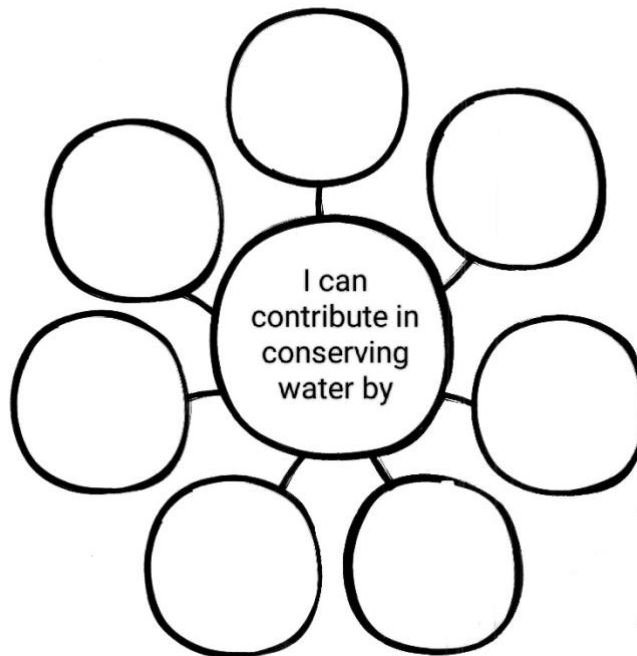

✨ Make a bird feeder, take an image and paste it in scrap book.

✨ Create a planter by using old cans or plastic bottles and decorate it by using any recycled materials.

Ques 2: Draw a word web and write ways to conserve water .(use an A4 size sheet).
