

Bal Bhawan School

Every moment is a fresh beginning.- T S Eliot

As we begin a new school year, we are slowly but steadily re-gaining foothold, all signs point to another incredible and productive school year. At the very outset, we wish to congratulate the commendable academic achievements of our students last year.

With the turn of the calendar, the commitment to take the school to greater heights is more firmly established. New energies, new blood pumped into the system brings a fresh thought and a paradigm shift is being envisaged. Undoubtedly, this would require hard work, perseverance and a firm belief in the adage 'Yes, We Can', but we are committed and with a firm resolve, would surge forth to accomplish the vision of our school.

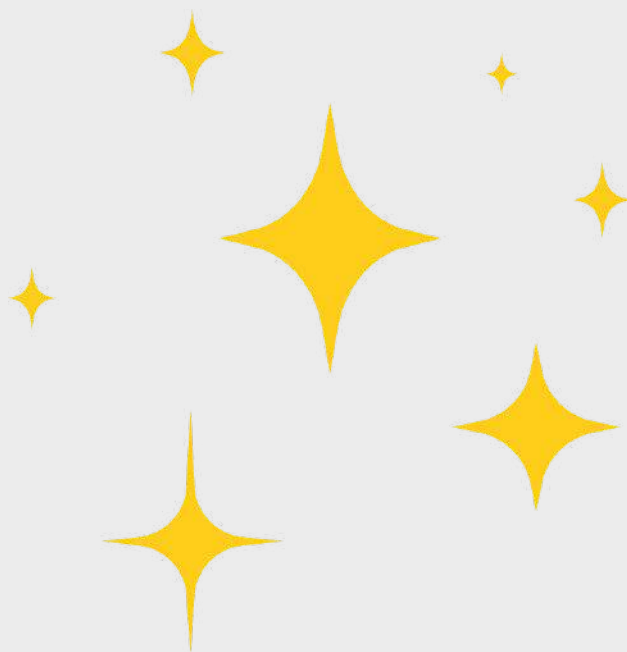

Upskilling Organization

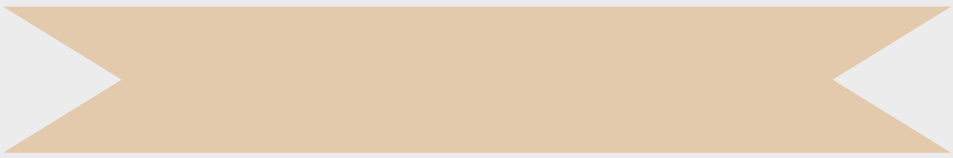

Learning And Teaching Together

Bal Bhawan School has always prioritised continued learning and development of its students, and, making everyday learning a happy and enriching experience for them.

In our concerted efforts towards this objective, we are pleased to announce that the Principal Mrs Humaira Arif and the Vice-Principal, Ms Anubha Mishra, have been selected from among many stakeholders across India , to attend the Exclusive ' Shadowing& Learning Program' at Helsinki Finland which focuses on visit and learning about innovative teaching styles and curriculum, at the renowned schools in Helsinki. As we all are aware, Finland is known worldwide for its revolutionary Education System.

During this training, Mrs Arif shall be learning significant pedagogical practices applicable for the senior school and, Ms Mishra shall be learning about the teaching practices being implemented at the Primary level of the Finnish schools.

We look forward to utilising this valuable training experience for providing more productive learning experiences to your children that will make them self-reliant, emotionally strong individuals with a global perspective.

We would also like to share that Post-covid, the Principal and the Vice-Principal of the school had been selected to represent the school and attend the EduTech Asia Conference at Singapore. This learning helped us to build a supportive learning environment for your children and work effectively on their overall well being and development.

Bal Bhawan School shall always strive towards providing sustained learning to your children and helping them develop to their fullest potential. Looking forward to meaningful learning & growth together!

Inter-School Activities

The Yellow Cheer

What a beautiful sight it was to see our wonder champs of Grade 1 and 2 beaming with joy, dressed in all yellow, on the last day of their class before the summer break. The class became interactive as everyone played games and did activities where they confidently spoke about and illustrated their favourite all things yellow, - like - vegetable, summer drink, animal and toy.

The celebration brought out the creative side of our multitalented kids and prepared them to shine bright and cheerful through the rhythm of songs and dance held. The merry party ended with warm wishes for a month long vacation.

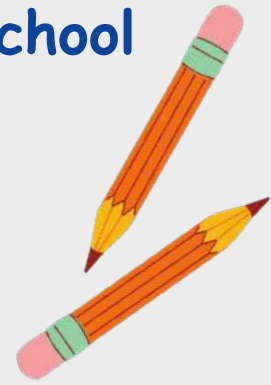

My fabulous first day at school

It was a memorable feeling and a thrilling experience for Grade 1, 2 & 3 students of Bal Bhawan School. It was a day of feelings of joy and excitement in children as well as teachers. The classrooms were beautifully done to welcome the children. It was wonderful to see them walking into classrooms, searching for their classmates, with big smiles on their faces. The day started with a 'Circle Time' - a friendly introduction between the students and their teachers, they explored the school to get acquainted with the surroundings followed by engaging activity games.

All these preliminary activities gave children the initial time to settle down in the new environment.

The students and the teachers chalked out the class rules together, and then, were far more excited to do their signatures!! There were songs and stories too. The day concluded with a take away activity to cherish the memory of their first day at school.

EXPERIENCE What it feels like to be the best Become a Soldier

Fauji Mela

NCC CADETS of BAL BHAWAN SCHOOL attended Fauji Mela organized by Bhopal Army Headquarters wherein children were given a chance to visit and learn about defence services. The purpose of the Mela was to acquaint the students and the general public about armed forces. It was a wonderful and enriching experience for children. They had a great time, gained a lot of information and enjoyed the displays put up in the exhibition. It was a great learning opportunity for NCC Cadets to be a part of such a great event.

World Penguin Day

On 25th April'23 , Westwind Kindergarten along with Grade 1 celebrated 'World Penguin Day'.

The students from 'Art and Craft Cultural Club' enthusiastically participated in the drawing and colouring of penguins.

Their confidence was a notch higher when they saw and learn about these short flightless birds.

1

Magic Number

On 18th March '23 , a number game was conducted for Grade 1 students of Bal Bhawan school.

The game was designed to enhance the students' numeracy skills and to reinforce their

understanding of basic

mathematical concepts. Their eye-

hand coordination and gross

motor skills were developed when

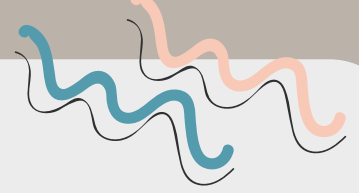

they made use of rings and balls.

The students showed great enthusiasm and excitement during the game and they actively participated in the activity too!

It provided a valuable learning experience that will help them to build a solid foundation for their future mathematical studies.

Our Sensory Booths

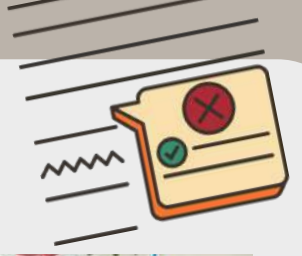

Our Sense organs are an integral part of our lives and it is the only way that enables us to perceive the environment. A sensory booth activity was organized for our little wonders of Grade 1, at the premises of Bal Bhawan School.

To understand these organs and the senses that they provide, students explored different booths that gave them the thrill of hearing , smelling ,tasting , feeling and looking different objects. The activity amazed the kids as well as left a great impact on their young minds.

My Mystery Bag!

The wonder kids of Grade 2 participated in a fun filled activity which was especially designed to teach nouns and also how to identify and categorise the countable and uncountable nouns.

The students completely got involved in this fun learning activity and brainstormed to guess and give many examples of countable and uncountable nouns.

It was a simple yet entertaining activity for our little learners.

Parents Orientation Programme

Bal Bhawan School and Westwind Kindergarten organized a series of Orientation Programme for the parents of Nursery to Grade 3 to discuss about the curriculum, developmental strategies, teaching and learning methodologies and techniques. The main focus of this orientation was to help the parents to implement learning processes at home as well, ensuring the student doesn't lose continuity in learning. The parents were encouraged to collaborate and work in partnership as it would help in holistic development of a child. They were delighted to know about the benefits of being involved in the growth and progress of their child.

Behind every child who believes in himself is a parent who believed first

**Parent's Orientation Programme
for the upcoming session-2023
was organised in Bal Bhawan
School for Grade 4-8 .**

**Our parents were informed and
updated about the new
innovations in our teaching -
learning methodology. They
were briefed about the rules and
regulations, curriculum,
discipline in school,
infrastructure enhancement and
few tips on good parenting.**

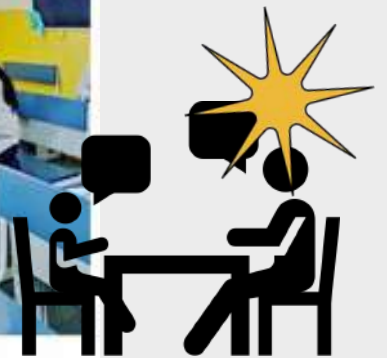

**It was a sincere effort to
collaborate with the parents for a
successful year.**

Career Counselling and Guidance Programme

Opportunities don't happen, we create them....

A Career Counselling and Guidance session by Mr. Niraj from SILIC was held at Bal Bhawan School. The session was conducted for the meritorious students of fine arts which included an in-depth orientation into the various career options in the field of fine arts and designing. It was followed by an aptitude test and a one on one session.

A counseling session of the students along with their parents was also conducted on this occasion.

It turned out to be a very successful day.

We look forward to conduct such sessions in the future too.
